

## **RIDE STARTS ARE CANCELLED UNTIL FURTHER NOTICE**

President Rob Weiss and The Joliet Bicycle Club Board of Directors, in compliance with federal, state, local and Villages guidance, have cancelled all future sanctioned group rides until further notice. Please understand this does not prevent you from riding alone or in small groups that you form on your own, but those rides will not be covered by club insurance. This was a difficult decision to make, but the board appreciates your patience and understanding and we pray that this situation resolves soon.
