## 2017 4th of July Metric Century (Plus)

With the ride about a week away, we are down to a couple of last minute details to contend with- picking up the food, supplies, and tee shirts, and etc. etc, etc.... Details, details, details...

### Volunteers:

As always, JBCers have volunteered their time to help out before, during, and after the 4<sup>th</sup> ride. This is what keeps OUR ride the best in the area! Without the volunteers, there would be no ride!

Prior to the ride, JBC members step up to design forms, post items on the website, pick up food and supplies, come up with a tee shirt design, sort tee shirts, plan the "Workers Ride", mark the route, etc, etc.... All these positions are "In the Background", and we need to give all these volunteer a big "High Five" for volunteering their time. And...let's not forget the captains who have to chase down volunteers in Feb or March for their areas.

### Changes for 2017:

- Starting on Feb, keeping track of the volunteer's assignments is an ongoing job, so we created the position of "Volunteer Coordinator" this year. Jim A stepped up and is the official of "Volunteer Coordinator for 2017", and is keeping track of all the volunteers.
- Multiple Tee Shirt designs were sent out via GG, and the members voted and commented on the designs. JBC member's input was instrumental in the tee shirt design and selection.
- Jim A will be setting up a recruiting tent at Platteville to answer any question riders might have about "What is JBC", or want to join our club.
- With the help of multiple JBC members, we developed a Tri Fold Flyer which will be available at Registration and Platteville for any riders who want additional information on JBC.
- Food and supplies distribution is always one of the items which is always a challenge to coordinate and this year we have 5- 6 members picking up food and supplies. We will then use Platteville as the staging area, and Phil F will be in charge of sorting and making sure everything gets to the correct location.
- Every year, there are small changes we make to the ride, which keeps the ride getting better each year. All of these changes are suggestions from volunteers, and every suggestion is reviewed, and most implemented into the ride planning.
- The 2018 4<sup>th</sup> ride??? We already have a list of items which will be discussed at the "2017 Post Ride Meeting", We ask all members to offer up recommendations and suggestion of how the ride can be improved. The planning never stops...

So..the 4<sup>th</sup> ride is all about the volunteers - Without the volunteers, there would be no ride!

## **From the Editor**

Please remember, I am an editor, not a reporter, so please send me your articles! Also, when you do send them, please say "Newsletter Article" or "Newsletter Item" in the subject line. I don't always have the time to sort through all the JBC mail! Also, if you know you have a large article, give me a "heads up" if you can. That way, I can save the space.

Thanks!

*Joanna Hosteny*

PS: All articles should be sent at **attachments (Word) only!**

## **Pictures**

Some suggestions for picture taking!

Try to avoid the obvious---a whole group of bicyclists with their heads down! I don't know about you, but this doesn't do much for me!

Take pictures at a reasonable resolution, so they'll work at any size.

Identify the folks in the picture!

Take a picture of two-three people engaged in a task, and identify that task for the readers.

*Joanna Hosteny*

## Door County

I wanted to update/remind everyone that the JBC Door County Ride is coming up. The ride is scheduled for July 15th through July 22nd. We will be riding Sunday July 16th through Friday July 21st. Saturday July 15th and Saturday July 22nd are travel days.

Once you have made those arrangements let me know where you are staying, what your cell phone number is and your email address. You can send that information via email to Jim Lambert at [jalambert1950@gmail.com](mailto:jalambert1950@gmail.com). If you need to contact me call me at +1 331 330 6119.

I hope that everyone can join in on the fun.

Thanks,

*Jim Lambert*
